The Maintenance Professional's Choice

WHITE LITHIUM GREASE 990

Contains NO Chlorinated Solvents • Contains NO Hexane

An all-weather, multi-purpose, thick, water-resistant grease. White color helps indicate lubricated areas and reduces staining.

FEATURES

- Deep Penetrating
- Heavy Duty
- Non-Staining
- Water-Resistant
- Heat stable to 350°F
- Drop point of 350°F
- Good penetrating qualities
- Excellent water and heat resistance up to 350°F

USES

AUTOMOTIVE: Use on accelerator linkage, bearings, brake service linkage, ash tray slides, radio antenna, cams, gears, hinges, hood locks, door locks, springs, striker plates, window regulators, all body hardware.

MARINE: Excellent for general marine use because of high resistance to rusting and corrosive action.

INDUSTRIAL: Cams and slides, chains, couplings, plain bearings, open gears (small), forklift truck masts.

HOME & OFFICE: Use wherever metal meets metal. Windows, garage doors, hinges, faucets, lawn mowers, bicycles, toys, garden and household tools, fishing reels, guns, filing cabinets, office equipment, etc.
